

Village Day Mosaic Project

May 7th 2005

Quadra – Hillside Community

Community Activity Tents

Mosaic the City workshop here today

Project in partnership with the City of Victoria and PATH

Idea was to work with Blanshard Community Garden Group to make a mosaic bulletin board for the to be built community garden

We tried a new method, a one day mosaic, no grouting required..

Hummm...harder then it looks

All ages were invited to put in their pieces to
the community mosaic

Leni Hoover &
David Turner came
through to add their
part

One of the great things about Village Day was
all the activities all around us..

Very much a
community day

We also created a number of stepping stones for the soon-to-be-created community garden

At the end of the day, we all felt very productive and creative.

Nice work team !!

More than 45 people in less than 5 hours helped create these community art pieces

Next is the little details to finish up the project.

Mosaic the City volunteer Kari, comes by to add the poem details to the mosaic.

You must be the Change you wish to see in
the world ~ Gandhi

Final clean up.. And ready for mounting..

Put all together,
the bulletin
board is looking
awesome.
